IN THE MATTER OF

Administrative Action

TAYLOR LEE, P.T.

License NO:40QA00995200

CONSENT ORDER

LICENSED TO PRACTICE  
PHYSICAL THERAPY IN  
THE STATE OF NEW JERSEY

This matter came before the New Jersey State Board of Physical Therapy Examiners (hereinafter referred to as the "Board") upon the Board's random audit of licensed physical therapists and physical therapist assistants pursuant to N.J.A.C. 13:39A-9.4(d) who submitted license renewal applications to engage in the practice of physical therapy for the 2008-2010 biennial renewal period.

The renewal applications submitted by licensed physical therapists and physical therapists assistants included an acknowledgment regarding whether or not the licensees had completed thirty (30) continuing education credits during the period from February 1, 2006 through January 31, 2008 as required for the 2008-2010 biennial license renewal period pursuant to N.J.S.A. 45:9-37.18(a)10 and N.J.A.C. 13:39A-9.1 et. seq.

In response to the Board's audit, Taylor Lee, P.T. (hereinafter referred to as the "Respondent") provided information that indicated that he had completed a course entitled "Functional Biomechanics of the Lower Quarter: Implications for Movement Dysfunction and Musculoskeletal Injury" sponsored by The American Physical Therapy Association from October 13-14, 2007. This course entitled the respondent to fifteen (15) continuing education credits. The respondent also indicated that he had completed a course sponsored by the American Physical Therapy Association entitled "Strength and Conditioning," taken on July 31, 2006 for thirty (30) continuing education credits. Upon a review of the submissions, the Board finds that the respondent failed to provide a record of attendance for the course entitled "Strength and Conditioning." In order to obtain credit, a record of attendance of the course must be submitted pursuant to N.J.A.C. 13:39A-9.4

Based upon all the available information reviewed, the Board

has found that the respondent has completed fifteen (15) of the required continuing education credits. The Respondent's conduct in failing to obtain thirty (30) continuing education credits in the period from February 1, 2006 through January 31, 2008 establishes a basis for disciplinary action as the Respondent did not meet the requirements for renewal of his license to practice physical therapy as he failed to obtain the requisite thirty (30) continuing education credits within the two years preceding the renewal period as required by N.J.S.A. 45:9-37.34(d) and N.J.A.C. 13:39A-9.1 et. seq.

It appearing that the respondent desires to resolve this matter without further proceedings and waiving any right to a hearing, and the respondent acknowledging and not contesting the findings of fact and conclusion of law made by the Board; and the Board having been satisfied that the within resolution adequately protects the public health, safety and welfare; and for good cause shown:

ACCORDINGLY, IT IS ON THIS 18<sup>th</sup> DAY OF, December 2008

ORDERED that:

1. The Respondent's license to practice physical therapy, renewed on February 1, 2008 and in active status, will remain active on the condition that the Respondent submits

documentation that he has satisfactorily completed an additional fifteen (15) continuing education credits as required by N.J.S.A. 45:9-37.34(d) and N.J.A.C. 13:39A-9.1 et. seq. within sixty days (60) of the filing date of this order. Respondent may submit satisfactory proof of completion of continuing education courses relating to physical therapy which were not pre-approved by the Board for credit if the continuing education courses met the requirements of N.J.A.C. 13:39A-9.3(a) and the provider meets the requirements of N.J.A.C. 13:39A-9.6. Failure to comply with this condition within the stated time period will result in the automatic and immediate suspension of the Respondent's license to practice physical therapy in New Jersey without further order until such time as respondent submits satisfactory proof of completion of all required credits.

2. The fifteen (15) continuing education credits taken as part of this action shall not qualify to fulfill the mandatory continuing education requirements for the 2010-2012 renewal period pursuant to N.J.A.C. 13:39A-9.2(d).

3. Respondent is cautioned in the future to obtain the requisite continuing education courses within the preceding renewal period as required by N.J.S.A. 45:9-37.34(d) and N.J.A.C. 13:39A-9.1 et. seq. and to carefully and truthfully complete all renewal applications

4. Respondent is hereby assessed a civil penalty in

the amount of \$500.00 for his failure to obtain the thirty (30) continuing education credits within the preceding biennial licensure renewal period.

5. Payment shall be made by certified check or money order immediately upon accepting and signing of this Consent Order and sent to the attention of Lisa Petrowski, to the Board of Physical Therapy Examiners, P.O. Box 42014, Newark, New Jersey 07101.

6. Failure on the part of the respondent to pay the civil penalty timely or to comply with any of the terms of this Consent Order constitutes a violation of the Order, proof of which would constitute grounds for further disciplinary action by the Board.
